## Overview

Our campus outcome rate for licensing currently is and has been 100% for many years.

Our graduates demonstrate that their scores far exceed the minimum standard required to pass their licensing exam.

Those students that continually qualify for our **CHOICE Scholarship**, are eligible to sit for their licensing exam prior to graduation. Many of our graduates are employed prior to graduation.

It has been this schools experience that all programs offered provide the licensed professional with multiple opportunities in their field. Our graduates expand their client base with individual opportunities to network, as well as, working in an environment that affords flexible scheduling and continued opportunities to mentor and sharpen their skill sets.

Each academy or program offers a curriculum that will allow the graduate to sit for the licensing exam in Indiana. Currently, licensing endorsement from Indiana to Illinois is easily attained, without additional testing. Graduates may find that other states/jurisdictions may require additional training, examinations and/or fees.

This school offers off site educational opportunities, not to exceed 10% of the applicable program length, as allowed by the Indiana Professional Licensing Agency. All courses are taught in English. The State of Indiana provides testing in English, Spanish, and Vietnamese.
