We validate our success with our reoccurring 100% licensure rate, specific to first-time state testers within the cosmetology industry and its related fields.

CAMPUS OVERVIEW

As a privately held corporation, we pride ourselves on small classes that allow us to teach at the level of the learner. Our many decades of experience have defined our exceptional hands-on curriculum, which is supported by updated academics. PROGRAMS OFFERED

Cosmetology, Barbering, Esthetics, Manicure, Instructor, and individual continuing education/CE credit hours.

This school does not offer Distance Education. All clock hours are done at the campus.

The Indiana Professional Licensing Agency does allow schools, at their discretion, to permit students to train off-site for not more than 10% of their applicable program. Offering and qualifications are TBD on an individual basis.

Overview

Our campus outcome rate for licensing is currently and has been for many years, 100%.

Our graduates demonstrate that their licensing scores far exceed the minimum standard required to pass their licensing exam.

Those students that qualify for our Choice Scholarship are eligible to sit for their licensing exam prior to graduation.

Many of our graduates are employed prior to graduation.

It has been this school's experience that all programs offered to provide the licensed professional with multiple opportunities in their field. Our graduates expand their client base with individual opportunities to network, as well as work in an environment that affords flexible scheduling and continued opportunities to mentor and sharpen their skill set.

Each program offers a curriculum that will allow the graduates to sit for their licensing exam in the State of Indiana. Currently, licensing endorsement from Indiana to nearby states is easily attained without additional education and/or testing. Graduates may find that states/jurisdictions may require additional training, examinations, and/or fees.

All programs are taught in the English language. The State of Indiana provides on-site testing in English, Spanish, and Vietnamese.
